

DECLARATION**COPY**

I (We) the undersigned inventor(s), hereby declare that:

My (Our) residence(s), post office address(es) and citizenship(s) are as stated below next to my(our) name(s),

I (We) believe that I(we) am(are) the original(joint) inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled **COMPOSITION & METHODS FOR TREATMENT AND SCREENING**, the specification of which☐ is attached hereto.☐ was filed on _____ as Application Serial No. _____☐ was filed as PCT international application No. _____
on _____ and was amended under PCT
Article 19 on _____ (if applicable).☒ is a continuation-in-part of US Provisional Application, filed June
12, 2002, by Jonathan W. Nyce et al., PCT Application No.
PCT/US02/13135, and PCT Application No. PCT/US02/13143,
both filed April 24, 2002.

I(We) hereby state that I(we) have reviewed and understand the contents of the above-identified specification, including the claims, as amended by an amendment referred to above.

I(We) acknowledge the duty to disclose information material to the examination of this application in accordance with Section 1.56(a) of Title 37 Code of Federal Regulations, which states: "A duty of candor and good faith toward the Patent and Trademark Office rests on the inventor, on each attorney or agent who prepares or prosecutes the application and on every other individual who is substantively involved in the preparation or prosecution of the application and who is associated with the inventor, with the assignee or with anyone to whom there is an obligation to assign the application. All such individuals have a duty to disclose to the Office information they are aware of which is material to the examination of the application. Such information is material where there is a substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent. The duty is commensurate with the degree of involvement in the preparation or prosecution of the application."

I(We) hereby claim foreign priority benefits under Section 119 of Title 35 United States Code, of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
